Gnarus Advisors LLC Names Daniel P. Maloney as Principal

*Financial and data analytic veteran brings expertise
in advisory and litigation support services*

ARLINGTON, VA – February 2, 2016 – Gnarus Advisors LLC (Gnarus), a leading consulting firm specializing in expert analysis, litigation testimony and business advisory, announced today that financial and data analytics veteran Daniel P. Maloney has joined the firm as a Principal. He will be based out of the firm's Arlington office.

Mr. Maloney brings to Gnarus more than 15 years of experience providing consulting services related to insurance valuation and recovery, complex database management, data analytics, cost allocation and economic damages modeling. Additionally, he has experience designing and implementing business technology solutions for clients.

"Dan's vast experience will provide value and depth to our economic analysis and product liability practice areas," said Steve Sellick, Gnarus' founder and Managing Director. "We're extremely pleased to provide clients with access to Dan's expertise in data analysis, financial modeling and damages estimation."

Prior to joining Gnarus, Mr. Maloney served as Vice President at the consulting firm of KCIC. He earned his MBA from The John Hopkins University and a BBA in Finance from The College of William & Mary.

Founded in 2007, Gnarus now has more than 40 highly experienced consultants throughout the country, and operates from its headquarters in Arlington, with additional offices in Los Angeles and Palo Alto, California.

About Gnarus Advisors LLC

Corporations, government agencies and law firms call upon Gnarus Advisors LLC to take on the challenges that arise from litigation, regulation and other sources of risk and uncertainty. Gnarus combines thorough economic analysis and advanced financial modeling with scientific and technical expertise to provide its clients with the resources and support they need across a wide spectrum of industries and disciplines. Gnarus experts and consultants are adept at solving complex business problems, identifying and mitigating risk, and supporting litigation efforts through in-depth research, analysis and quantitative modeling. The Gnarus team is comprised of dedicated, hands-on individuals who are recognized as leaders in their fields and bring years of academic, governmental and corporate experience to every client the company advises.
